

**FREE GIFTED TRAINING
OPTION 4 –SELF-DIRECTED USING USB
45 CPDU HOURS**

**This gifted training is offered in conjunction with ISBE.
Imagine getting 45 CPDUS from the comfort of your own home.**

It consists of:

- 2 books and USB

(The drive will take the participants through each module with many interactive activities. There will be an interactive partner that will work with you throughout the training.)

- You will need a laptop. You will need internet capability.

- Two short face to face meetings will be needed: introduction of the USB and closing at the end of the semester.

When you register, you will choose when you want to start and you will have a semester to complete.

After you register on line at www.maconpiattroe.org, I will contact you and we will set up our introduction meeting.

This is an opportunity you do not want to pass up. It may never be offered free again.

If you have any questions, please email prestonb@roe39.k12.il.us before you register.

Thank you and I hope you take this great opportunity so all students in your classroom can be served. Differentiation is a large part of this training and after you complete it, you will look at your classroom in a different way. RtI will even be easy to implement.
